Hi all,

Here is the email and attached letter from ND withdrawing the current Coyote Station TV permit and stating they will re-issue for a new 45-day EPA review in a couple weeks when they have completed the record. Looks straightforward to me but let know if you have any concerns. ND also sent this letter to the petitioners.

Patrick,

See attached for an electronic copy of NDDHs withdrawal of the Coyote Station Title 5 Permit until we complete the permit record.

Let me know any questions or comments, thanks.

(Sorry for the 2nd email – I accidentally hit send prior to attaching)
